 - a. For PAS 2025, the PAS Board has updated the speaker support policy. These changes help the Board to hold down the cost of PAS registration. Please share the update with anyone building your Scholarly Sessions!
 - Speakers must present 30 minutes or longer to be eligible for speaker support.
 - Session planners and selectors are strongly encouraged to give priority to member speakers from the six PAS Partner and Alliance societies - AAP, APA, APS, SPR, ASPN, PIDS.
 - Non-members speakers should be limited to rare occasions when the needed expertise is not present among the PAS societies membership.
 - The Program Committee Leadership Team may review and request further information on sessions with non-member speakers.
